

SCHOFULA AND ALL HUMORS GIVE WAY

There are many things learned from experience and observation that the older generation should impress upon the younger. Among them is the fact that scrofula and other humors, which produce eczema, boils, pimples and other eruptions, can be most successfully treated with Hood's Sarsaparilla.

This great medicine is a peculiar combination of remarkably effective blood-purifying and health-giving roots, herbs and salts, which are gathered especially for it.

Hood's Sarsaparilla has stood the test of forty years. Get a bottle today—now—from your nearest drug store. Always keep it on hand.

GET RID OF A RACKING LA GRIPPE COUGH—IT WEAKENS

For the severe racking cough that comes with la grippe, Foley's Honey and Tar Compound is wonderfully healing and soothing. R. G. Collins, ex-postmaster Harmer, N. J., says: 'Foley's Honey and Tar Compound soon stopped the severe la grippe cough that completely exhausted me. It can't be beat.'

IF BACK HURTS BEGIN ON SALTS

Flush the Kidneys at once when Back-ache or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of swelling, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

CZAR'S FORCES MOVE FAST IN AN OFFENSIVE

A LARGE ARMY REPORTED CONSIDERABLE DISTANCE PAST STRIPA RIVER

London, Jan. 7.—Latest dispatches from the southern extremity of the Russian front indicate that heavy fighting is continuing, with the Russian army of General Trautmann advancing. Our correspondent reports that these operations began with offensive movement on the part of the Austrians, designated to straighten their lines, and that after repulsing this attack the Russians assumed the initiative. It is evident the Russian advance has now extended a considerable distance beyond the Stripa River.

In other dispatches, it is asserted that two great offensive actions took place, the Russians having advanced to a point against the Teutons in their Balkan operations, while the Austrians and Germans felt the necessity of improving their positions against the attack expected from General Trautmann early in the spring. The result of these operations will have an important effect on the Balkan campaign especially in their influence on the future plans of Rumania.

It is reported with increasing frequency that the Central Powers are planning an attack of Saloniki, but they are said to be experiencing difficulties with Bulgaria, which according to these reports does not wish to participate in such a campaign unless it promises something more than expulsion of the allies from Saloniki.

The Berlin official statement says a large mine was exploded north of the La Bassée-Bethune road with complete success. A fighting trench, reserve trenches and a communication trench of the enemy were blown in.

The surviving occupants attempted to escape by flight, but were caught by the fire of our rifles and machine guns. A surprise attack over a wide front took the occupants of the trenches by surprise, and they in part sought safety by flight.

Announcement is made by the Tokio Jih Shimpo that a squadron of Japanese warships will sail for the Suez Canal, presumably to protect Japanese shipping. It is said the armored cruisers Kasuga, Tokiwa and Chitose have been assigned for this service.

AT THE THEATRES.

September Morn. After waiting a good solid year for it, Guthrie at least is to bask in the sunshine of 'September Morn,' that recently so successful and entertaining model in musical comedy, which is claimed by many to be the cheerful, yet poignant of farce, song and spectacular tango ever thrown together for the delatation of those craving real fun and real melody. It comes to the Guthrie Theatre next Monday, Jan. 10, evening, almost direct from the LaSalle Opera House, Chicago, the thirteenth of its phenomenal run of 235 consecutive performances and will be presented here for the first time by the original company, under the direction of Martin and Lemie, the producers. To tell the story of a musical comedy in advance of its presentation is as unsatisfactory as it is unkind—yet, in 'September Morn' a pretty little silver thread of a love story, laden with fetching songs, which permeates

Many a Guthrie Reader Will Feel Grateful for This Information. If your back gives out! Becomes lame, weak or aches! It's ordinary troubles and in. Perhaps your kidneys are 'in a bad way'! Doan's Kidney Pills are for weak kidneys.

Local evidence proves their merit. Mrs. Mrs. (Guthrie) 429 E. Harrell Ave., Guthrie, says: 'I strained my back and in a month I suffered from lumbago. Occasionally a sharp pain darted through me and I began to fear that serious results would follow if I didn't check the trouble in time. When I heard Doan's Kidney Pills being spoken of, I procured a box and in a short time after beginning their use I was convinced of their merit. My back soon became strong and free from pain and has not bothered me since.'

through the music of farce, travesty, vaudeville, melody and spectacularly patriotic dance numbers—with just enough sweetness to a cup—other wise filled to the brim with hilarious fun. The book and lyrics of 'September Morn' were written by Arthur Gillespie, a lyricist whose verses are full of glib and force, and the music by Aubrey Stauffer, a composer yet to be heard here, but whose composition has been pronounced one of the great achievements of the present. The production will also be given the piece just as it was staged by Frank Tabin-Hill, Jr. and with the wonderful dance finishes, arranged by Virgil Bennett, the veteran maître d' ballet. The production will also be given the original costumes, scenic investiture and the great corps d' ballet. The Company's ensemble numbers forty people.

There is more Cataract in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Scientific research has proven Cataract to be a constitutional disease, and therefore requires constitutional treatment. Hall's Cataract Cure, manufactured by F. J. Chamberlain & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's recipe to bring color, lustre and thickness to hair when faded, streaked or gray. That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, wispy and scraggy, just an application or two of Sage and Sulphur restores its appearance to a hundredfold.

Don't bother to prepare the tonic; you can get from any drug store a 50-cent bottle of 'Wyeth's Sage and Sulphur Compound' ready to use. This can always be depended upon to bring back the natural color, thickness and lustre of your hair and remove dandruff, stop scalp itching and falling hair.

Everybody uses 'Wyeth's Sage and Sulphur' because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge, or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy, lustrous and abundant.

TYPHUS GERM IS ON THE WANE IN OLD MEXICO

NUMBER OF CASES AND DEATH RATE GREATLY REDUCED THERE

Washington, Jan. 7.—Typhus cases in the City of Mexico and its suburbs, which in December totaled 2,241, now have been reduced to about 2,500, according to official advices today to the Mexican embassy. Deaths from the disease in the city proper, the records show, decreased from 494 in November to 436 in December, although there was an increase in the latter month in the number of cases.

'The material decrease in the death ratio, regardless of the fact that the number of cases increased,' says a statement issued by the embassy, 'is significant of the strenuous efforts being put forth to furnish better and more thorough medical treatment. The concentration of cases in hospitals where possible is working to the greatest advantage of the sufferers. Rectepric measures on the part of the medical and military corps in charge have confined the disease almost wholly to the very lowest class of citizens. Very few foreigners and hardly any natives of the better classes have been attacked.'

The American consul in Piedras Negras reported today that many Americans attracted to Mexico by published reports that laborers were needed, are practically destitute, most of them lacking even funds sufficient to return to the United States. The consul said there was no demand for foreign labor, the work offered being insufficient to give all native laborers employment.

She has been a patient sufferer, crossing again and again her faith in God and readiness to go when He called. I never stand above the bier and see The seal of death set on some well-loved face, But that I think—One more to welcome me. HEROINE OF MUTINY WEDS Missouri Girl Was Used by Escaping Convicts as Shield.

Chillicothe, Mo., Jan. 6.—The heroine of the Oklahoma state prison mutiny two years ago, Miss Mary Foster, a resident of Farmersville, Mo., was married here today to Charles W. Henninger, an insurance man of Vandalia, Ill.

At the time of the prison mutiny Miss Foster was stenographer to the warden. Two of the prisoners in making their escape passed through the office of the warden where Miss Foster was at work alone. One of convicts grabbed her and, using her as a shield from the guard's fire, entered a buggy outside the prison and drove away in an attempt to escape. The guards were unable to fire on

GALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

'Dodson's Liver Tonic' Starts Your Liver Better Than Calomel and Doesn't Salvate or Make You Sick.

Here's my guarantee—Go to my drug store and get a 50 cent bottle of Dodson's Liver Tonic. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tonic is destroying the ening, salivating calomel, which is real liver constipated. Don't be misled because it is real liver entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
